Button Manager
Deliver and Manage Your Document Better on the Internet

Fit for both first-time and experienced users alike

For first-time users, Avision's Button Manager provides a true ease-of-use with the 9 pre-configured file formats and destinations. For advanced users, Avision's Button Manager makes full customization possible. For example, you can change scan settings, file formats, or even add new destination software application to fit your own scanning needs.

Automatically converts to Adobe certified searchable PDF

Incorporated with Adobe's PDF scan library, Avision's Button Manager allows users to scan and convert document to a increasingly popular and effective compression file format, Adobe searchable PDF, to share and manage high volume or high-resolution color documents on the internet in an unprecedented high quality and speed.

Adobe searchable PDF makes document management better

For many years, Adobe PDF files have become one of the most widely used file format for distributing digital documents on the internet especially for financial

service, governments, and manufacturing industries which have a high demand to digitize and store the large amounts of paper-based information on a daily basis. Now, with Avision solutions enabled by Adobe's PDF Scan Library, users will have more features to create, make searchable, compress, secure, share, and archive files at the high speed of 7.5 pages per minute and with an accuracy rate of 97.75% (in-house assessment sample). Heavy duty paper documents stored in large cabinets can be saved and managed more effectively to digital format by searching key words in a few seconds.

ScanSoft PaperPort - The Professional Choice to Organize and Share Your Documents

PaperPort is the easiest way to turn piles of paper and photos into organized files that you can quickly find, use and share. Stop wasting time searching for paper documents. End the frustration of organizing, editing and sharing your digital photographs. PaperPort makes it simple to connect your scanner and computer together to work with PDF and JPEG images just like working with paper documents right on your desktop. It is the perfect solution for your home or small office.

Readiris – Powerful and Accurate OCR Software

Readiris is the best OCR solution for home and professional users. Save an incredible amount of time when converting any paper document, PDF, or image file into digital files you can edit, archive, and share! OCR software allowing you to convert your paper documents, PDF files, and image files into information you can edit, archive, and share. What is best, Readiris lets you reproduce your documents into more than 20 different applications such as: Word, Excel, Adobe Acrobat, Internet Explorer, Netscape, and many others.

*DjVu: Button Manager is able to convert your image file to a DjVu format, yet this is an optional and special edition.
